

Management, Graduate Certificate

Visit the Woodbury School of Business page (<https://www.uvu.edu/woodbury/>) for more information on the program and access to advising.

Program Description

The Woodbury School of Business MBA program offers a Graduate Certificate in Management that examines the strategic needs of any organization and how the function of information systems assists operations. Utilizes advanced topics in operations research that develop decision-making processes for complex organizations and systems. Identifies creative methods to analyze problems, develop alternative decision-making strategies, and optimize business and organization processes.

Matriculation Requirements

Application for admission to the Graduate Certificate Program in Management with application fee.

A bachelor's degree from a regionally accredited college/university, a nationally accredited program, or the international equivalent.

A 3.0 cumulative undergraduate GPA or a 3.0 GPA calculated on the last 60 semester hours (90 quarter hours) of undergraduate work.

Acceptance of graduate certificate program student status offers is valid only for the semester in the offer. Applicants who do not begin attendance during the semester in their admissions offers must reapply and pay the application fees before the applicable semester deadline. At the graduate certificate program's discretion, graduate certificate programs may defer enrollment if students apply for a deferment before the end of the semester for which they were admitted.
