

Computing (COMP)

COMP 1000. Computer and Information Literacy. (3 Credits)

Discusses computer and information literacy, focusing on current technology, emerging technology, and social media. Promotes appropriate and ethical use of technology, critical-thinking skills, and problem-solving strategies. Develops skills in word processing, spreadsheet, presentation, and image-editing applications for personal and college success.

COMP 301R. Digital Lecture Series. (1 Credit)

Prerequisite(s): ENGL 2010 and University Advanced Standing

Guest speakers lecture on current topics in computer science, digital media, and information systems/technology. May be repeated for a maximum of 3 credits toward graduation.
