

Leadership for Personal and Social Impact, Undergraduate Certificate

Visit the Student Leadership and Success Studies Department page (<https://www.uvu.edu/slss/>) for more information on the program and access to advising.

Program Description

The Leadership for Personal and Social Impact, Undergraduate Certificate integrates both theoretical knowledge and practical skills related to self-awareness, personal growth, and leadership development. The program emphasizes foundational principles of leadership, including personal strengths, relationship-building, and community engagement. Students will explore how these concepts apply across professional, volunteer, public, and private sectors, thereby developing competencies in leadership, collaboration, and social responsibility, preparing them to contribute meaningfully to their communities at local, regional, national, and global levels.

Program Requirements

Program Learning Outcomes

1. Analyze personal strengths and apply them to coach themselves and others towards improved performance.
2. Build interdependence by collaborating effectively in teams, providing mutual support, and facilitating others' contributions toward shared goals.
3. Reflect on personal responsibility in determining outcomes and take accountability for the impact on one's own life experiences.

4. Evaluate different perspectives and use these understandings to enhance the quantity and quality of contributions to the community at local, regional, national, and/or international levels.
5. Work effectively within hierarchical relationships by applying strategies to complete tasks successfully.
