

Emergency Medical Services, Undergraduate Certificate

Visit the Emergency Services page (<https://www.uvu.edu/es/>) for more information on the program and access to advising.

Program Description

The Emergency Medical Services Undergraduate Certificate provides an academic opportunity to obtain a job-ready certificate focusing on career education. This program offers emergency medical care training for prehospital and other medical settings. This certificate is available for high school students, college students, and working adults looking for entry-level skills in emergency services.
