

# Firefighter Recruit Candidate, Certificate of Completion

Our degree provides our students with the knowledge, skills, and abilities to assist them in obtaining a job in Emergency Services, or if already employed, to give them the knowledge, skills, and abilities to advance in their careers.

## Matriculation Requirements

1. Must be admitted to UVU
2. Complete pre-requisites of ESFF 1000 and ESFF 1120 with a grade of C- or higher
3. Be NREMT certified or complete an EMT course through UVU or another recognized agency/institution
4. Demonstrate competency in English and Math (by one of the following: ACT, SAT, High School Transcript, College Level courses, degrees, and/or RCA entrance exam.)
5. Be at least 18 years of age before class starts
6. Have any valid form of Government Issue Photo Identification (Driver's license, State ID or Passport)
7. Complete online application found at [www.uvu.edu/esa/rca](http://www.uvu.edu/esa/rca) (<http://www.uvu.edu/esa/rca/>)

## Program Requirements

## Program Learning Outcomes

1. The student will demonstrate essential job performance functions to successfully accomplish State Firefighter and Hazmat Certification skills requirements.
2. The student will analyze, organize, and interpret the vast amount of information necessary to successfully accomplish State Firefighter and Hazmat Certification written examination requirements.
3. The student will demonstrate appropriate interpersonal and team related skills necessary to be successful as a team member of a response organization.
4. The student will demonstrate the necessary skills and attitudes to prepare for a career in the Fire Service academically, physically and practically.
5. The student will train in a disciplined, stressful, realistic, and team-oriented environment, where they will develop the skills used on the fireground and in the firehouse.
6. The student will learn to apply the principles of personal responsibility related to taking ownership of their own performance as well as the performance of the team.
7. The student will define the meaning of success or failure as a team.
