

# Public and Community Health, Undergraduate Certificate

Visit the Public Health page (<https://www.uvu.edu/publichealth/>) for more information on the program and access to advising.

## Program Description

The Undergraduate Certificate in Public and Community Health is available for all UVU students with a particular focus designed to provide high school students an opportunity to obtain a stackable certificate of proficiency with an emphasis in career and technical education while still enrolled in high school. This certificate is available from the University for college students/adults looking for basic entry-level skills leading to further academic advancement and learn more about Public and Community Health as a career field.
